This performance, organised by Grup21, combines music and poetry with verses from 20th-century Catalan poet, Salvador Espriu and music by local composer Narcis Bonet. The group will perform the piece 'Entre música y poesia: El Guernica catalán' ('Between music and poetry: The Catalan Guernica'). The narrator will be Antoni Marsol.

Before the concert, a talk will be given about the work by Albert Torrents from Catalunya Música, Narcis Bonet and the director of Grup21, US composer and musician Peter Bacchus. Grup21 came into being seven years ago and brings together musicians from different genres and backgrounds who seek to promote Spanish and Catalan music on an international level.
