I love Brazil! I love the music, the dancing, the beaches and of course the cocktails. But it's a bit of a trek. Luckily Brazil comes to Barcelona this Sunday (Sep 4th) for a day of pretty much all I love about the country.

Lots of sexy samba, caipirinha cocktails and great food. I went last year and it was really buzzing.

There's music from Flávia Bittencourt, Rafael Pondé, Grupo Bongar, Tambor de Saia, Laboratorio de Samba and NSISTA. Check out the [event programme](#) for more about each artist.

The event is in it's 3rd year and helps to promote Brazil abroad both for business and tourism so it has a serious role too. But it's also just a great day out. So get yourselves down there!
